

## Political Sign Information

### Town of Nashville Ordinance:

#### 153.095 Temporary Signs

- A. Political signs are not permitted on public property. Temporary political signs erected on private property may not exceed 8 square feet and may not be erected more than **30** days prior to election day, and must be **removed 3 days after election day**.

### Brown County (excluding Town of Nashville):

#### J (VIII) Performance Standards

#### L (X) Temporary Event Signs

- A. May be placed no more than sixty (60) days before the event and must be removed within three (3) days of the event.

#### M (XI) Political Signs

- A. Political signs are not permitted on public property except on Election Day, and even then, not within the public right-of-way.
- B. Temporary political signs erected on private property may not exceed eight (8) square feet and must be **removed three (3) days after Election Day**, but in all other respects (eg. total sign area per lot, setback, height, performance standards, and maintenance), are subject to the noncommercial sign regulations of this chapter (4.15 Miscellaneous Residential Restrictions – see below).

a) In FP, FR, R1, R2 and LR districts, the maximum total sign area per lot is twenty (20) square feet and the maximum number of signs per lot is three (3), excluding the total area and number of directional signs on the lot.

b) In GB, AB and I districts, the maximum total sign area per lot is one hundred (100) square feet, and a maximum number of signs per lot is three (3), excluding the total area and number of directional signs on the lot.

c) In FP, FR, R1, R2 and LR districts, the maximum sign height is eight (8') feet.

d) In GB, AB and I districts, the maximum sign height is twenty (20') feet.

e) In all districts, signs shall be set back at least thirty (30') feet from road and highway right-of-way and from lot boundary lines.

f) In all districts, signs may not be placed within the sight triangle (see section D -2 of this Chapter).

#### Performance Standards:

All signs shall conform to the following regulations:

#### 1. Illumination

a. The source of light for any sign may not be directed into any residential area or toward any oncoming traffic. The source of illumination by whatever means shall not reflect directly on residential property.

b. In no instance shall any illuminated sign be located closer than twenty-five (25') feet to any residence.

#### 2. Maintenance

All signs must be kept clean, neatly painted, and free from all hazards, such as, but not limited to, faulty wiring and loose fastenings, and must be maintained at all times in such safe condition so as not to be detrimental to the public health or safety.
